FRIDAY 1ST MARCH 2024

## HPAN

Well done to the AMAZING children from Ravens Class who wowed a huge audience at the Foundry in Widnes with their fabulous ukulele and singing skills.

They had lots of fun joining 4 other schools from across Halton to perform as part of the Halton Primary Arts Network, under the theme 'A Wonderful World'.

## Seesaw

Following feedback from our school survey, next week you will be getting an invite to an app called Seesaw. This app is used already in school to record what the children are learning and will help you to see the fun activities your children get up to.

You will be given an agreement to sign, to say that you won't share the images on social media. Once you have returned this, you will be given details of how to join your child's Seesaw 'page'.

## World Book Day

This year World Book Day will take place on Thursday 7th March. Instead of dressing up as a character we would like the children to dress up as a word - 'wear a word'.

For example, you could pin the word 'precious' to you and wear lots of jewellery, You could wear the word 'flamboyant' and come wearing a pink tutu, etc.

Children can still wear character costumes but with a word attached so a dressing up costume of Willy Wonka could wear the word 'preposterous'. They could come in their own clothes and wear the word 'casual' if they like.

We are looking forward to seeing the children's (and your) creativity.

## Goodbye and Good luck

Our School Community would like to wish Harley and Kathleen all the best with their new adventure, they will be missed by us all.

**Halton's Family Hubs / Children's Centres support children and young people from birth until they reach the age of 19 (or up to 25 for young people with special educational needs and disabilities).**

They bring council, health and community services together so that families can access the right support at the right time.

Halton's Family Hubs will provide a mix of physical and virtual spaces, as well as outreach, where families can easily access non-judgmental support for the challenges they may be facing.

**All the services shown above would all fall under the family hub umbrella.**

Healthwatch Halton are currently working with the Family Hubs to gather people's views on the services offered.

If you are a current user of any of the services shown above, we'd like to hear your views.

If you've not yet used a Family Hub / Children's Centre, we'd like to find out some of the reasons why.
