**Enjoy and Achieve – Aiming High**

We have been carrying out assessments this week in English and Maths, so that we can report to parents and carers at the end of term. The children have given their best and have focused extremely well: the teachers are full of praise for children who have persevered, even if they have found questions difficult, and we hope they are learning that when they persevere, they DO make excellent progress! Well done children, we are proud of you.

Our Reception class have been reading “**Supertato**” by Sue Hendra and Paul Linnet this week. Imagine their surprise when they arrived at school to find that the Evil Peas had ransacked their classroom!

The children have been writing to the peas and making traps to stop them making any more mess. One story book has led to days of memorable learning – these photos show how reading can fire up children’s imaginations and make them want to read more.

### **Covid Update**

You may be aware that a few other schools in the area have been required to close bubble groups because of positive cases of the virus in their school communities. We very much hope that we will not have to instruct any of our pupils and staff to self-isolate, and we are grateful for your ongoing cooperation with following the Covid-19 guidance. It is particularly important that we can contact you on the telephone if your child is absent, so that we can discuss the symptoms and identify whether you need to organise a PCR test.

### **Parent Governors**

We decided to send out the letter inviting nominations from parents and carers to be elected as parent governors as paper copies. They were issued to the children on Monday. We already have some co-opted and staff governors, but there are two parent governor spaces on the Governing Body. Please consider whether this is a role that you could commit to: the letter explains more about what is required and Mrs Goodwin will be pleased to talk to you if you wish to find out more. The deadline for nominations is **Monday 5<sup>th</sup> July**.

### **End of Term**

Term ends for the children on Tuesday 20<sup>th</sup> July. At the start of the autumn term, there will be an INSET day on 1<sup>st</sup> September, so the children will return to school on Thursday 2<sup>nd</sup> September.
